For your convenience, the annual tuition fee may be paid in ten or twelve monthly installments. Each installment is due the 1<sup>st</sup> of the month. For the 10-month installment plan, payment #1 is due August 1, 2017 and payment #10 is due May 1, 2018. For the 12-month installment payment #1 is due June 1, 2017 and payment #12 is due May 1, 2018. Tuition payments are considered delinquent if not paid by the 10<sup>th</sup> of the month. Trimont also offers direct debit options for your convenience.

If an account is more than two months overdue, the student(s) may not attend class until the bill is brought current. No report cards or school records will be released until all accounts are paid in full.

A 3.5% tuition discount is given to accounts that are paid in advance for the whole year. Advance payment must be received by August 1<sup>st</sup> of each year to qualify for the discount.
